Lebanon County Crisis Intervention Office Open House

Thursday, January 18
2–7 p.m.

We've moved to a new and improved location at 209 Hathaway Park in Lebanon.

Located across the street from WellSpan Good Samaritan Hospital, the new Crisis Intervention space offers improved access to walk-in services that will benefit efforts to provide individuals with appropriate care without an unnecessary visit to the Emergency Department.

We are excited to show you how this location will enhance the crisis care of individuals in Lebanon County.

Please drop by the open house at any time or during a scheduled breakout time for our specific partner audiences.

2 – 7 p.m. Open to All

3 – 4 p.m. School Personnel

4 – 5 p.m. First Responders/Law Enforcement

5 p.m. Ribbon Cutting & Brief Remarks

We hope to see you there!
