- Health and welfare planning.
- Caregiving for a loved one with special needs.
- Community groups who support underserved populations.

Board meetings are held approximately six times per year, typically on the second Monday of the month at 4:30 P.M., in person at the MH/ID/EI Office, 220 East Lehman Street, Lebanon and via Teams.

At each meeting, members review current services, identify challenges and offer guidance to overcome barriers and improve services.
