CoPilot is our NEW database system for ALL participants.

We will eventually move out of our paper system into a
digital format. This is for liability and security purposes that's
essential for everyone's safety and efficiency.

Please contact Barbara, Center Manager if you haven't received your scan card.

Barbara will walk you through the process and assign a scan card to you.

Also, Bonner Davis, for coming
to our rescue with his generator!
It was a huge success and hope
