

Lebanon County Is Going Online with Their Sheriff's Sales!

Sheriff Marley is proud to offer **RealForeclose**, a web -based online solution powered by online software auction company Realauction.com, LLC. **RealForeclose** moves the sale of Lebanon County's foreclosed property off the courthouse steps, and onto the internet.

This service will "go-live" in January of 2023, when interested bidders can register, pay their online deposit, & fill out all required forms to participate. Once the site is live, bidders will also be able to become familiar with the on-line auction process and research properties.

The first on-line auction will tentatively take place in **February 2023**

A free training class for investors/bidders via webinar will be scheduled in January 2023. You will need to visit the Realauction.com website to register – please check the site in the beginning of January 2023 for a confirmed date: <https://www.realauction.com/training>.
