County Administrator

Holly A. Leahy
Administrator

Thank you for expressing an interest in becoming a member of the Lebanon County MH/ID/EI Advisory Board. Established in 1968 by the Pennsylvania Mental Health and Intellectual Disabilities Act of 1966, we serve Lebanon County and its residents.

The Board is responsible for advising and making recommendations to the Lebanon County Board of Commissioners on policies and actions needed to effectively implement the aforementioned Act and the Mental Health Procedures Act of 1976, as well as policies as defined by the Commonwealth of Pennsylvania et al. We are also charged with advising the MH/ID/EI Administrator in planning, developing, funding, and evaluating Mental Health, Intellectual Disabilities and Early Intervention services.

Please complete the following application and return it to MH/ID/EI Advisory Board Nominating Committee c/o Melissa Herr, Lebanon County MH/ID/EI 220 E Lehman Street Lebanon, PA 17046. A requirement of the application process includes attending at least one advisory board meeting prior to being considered. Once received we will be in contact with you to schedule a visit to a board meeting and an interview if appropriate.

Thank you for your interest in the Advisory Board. We look forward to hearing from you.

Sincerely,

Lebanon County MH/ID/EI Advisory Board
Nominating Committee

Lebanon County MH/ID/EI Advisory Board
Board Member Application

Please note: To be considered for membership on the Advisory Board you must attend one board meeting prior to being interviewed.

Name: _____ Phone (H/C) _____

Address: _____

Email: _____ Employer (if applicable) _____

Please answer the following questions as completely and concisely as possible in the space provided.

1. Describe your experience/background/interest in the areas of Mental Health, Intellectual Disabilities and/or Early Intervention. (Include education, work experience and/or other relevant experiences).

2. Why do you want to be on the advisory board?

3. What do you think qualifies you to be an advisory board member?

4. What are your goals as a member of the advisory board?

5. What issues do you believe Lebanon County is facing in supporting individuals with needs in the Mental Health, Intellectual Disabilities or Early Intervention areas?
